RE: REAP Online Membership Directory Update & Membership Dues

REAP Members:

REAP has been in the process of rebuilding the REAP website at www.cfra.org/reap and is now complete! As a part of this upgrade, the REAP Member Directory and Online Lending System were also rebuilt. The REAP Member Directory provides your business with an online presence and is linked with many other state and federal websites which provides greater exposure.

Due to this upgrade, we have decided to repopulate the REAP Member Directory, which will insure all information in the directory is totally up-to-date.

To be included in the new REAP Member Directory, please complete "REAP Member Directory Permission Sheet" on the reverse side and return it to the address listed. You must return the permission sheet to be included.

In addition, REAP dues will need to be paid to be included. Annual REAP dues are \$30 per year, and, in addition to being included in the REAP Member Directory, your membership gives you access to many other REAP benefits.

If you are a member of a REAP group and pay your dues through the group or if you recently joined REAP and have paid your dues, you will only need to complete the REAP Member Directory Permission Sheet and return. Either way, to be included in the new and improved REAP Member Directory, you will need to complete the permission sheet and return. If your \$30 fee hasn't been paid, you will also need to include the \$30 to be included.

Please reply as soon as possible so your information can be posted on the new REAP Member Directory and you continue to receive all that REAP has to offer. You can find REAP staff contact information on the REAP website, www.cfra.org/reap/staff.

On behalf of all REAP staff,

Jeff Reynolds

Jeff Reynolds
